

FM1200 INSTALLATION MANUAL

This manual is intended for the users of the FM1200 ceiling mounting bracket. It includes the instructions for mounting the FM1200 ceiling mounting bracket to the ceiling.

- **This bracket is intended to be used with the DC-D series model of camera. Do not use it with other models of cameras.**
- **This installation should be performed by a qualified service personnel in conformance to all local codes.**
- **You may need to reinforce the ceiling. If the ceiling is not strong enough to support the camera, the camera may fall.**
- **Do not use this product for other purposes.**

Mounting

- 1 Assemble the camera body to the bracket by tightening the screw (3-point).

< Plastic Dome Camera >

< Vandal Dome Camera >

- 2 Connect the cable through the cable hole and screw the safety wire to the bracket to prevent the bracket from falling on to the floor.

- 3 Mount the bracket to the ceiling, then fix it with the calmp (3-point) by turning the clamp screws clockwise.

- 4 Assemble the dome cover to the camera body.

- 5 Assemble the bracket lid to the bracket.
